MANAGEMENT INFORMATION CIRCULAR

Unless otherwise stated, the information contained in this management information circular is as of May 5, 2016 and dollar amounts referenced herein are expressed in Canadian dollars, unless otherwise stated.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The Company is providing this management information circular and either a form of proxy for registered shareholders or a voting instruction form for non-registered shareholders (see below under "Non-Registered Shareholders") in connection with management's solicitation of proxies for use at the annual and special meeting (the "**Meeting**") of holders of common shares (the "**Common Shares**") of the Company to be held at Suite 700 – 1055 West Georgia Street, Vancouver, British Columbia on June 24, 2016 at 10:00 a.m. (Vancouver time) and at any adjournments thereof. References in this management information circular to the Meeting include any adjournment or adjournments thereof. It is expected that the solicitation will be primarily by mail, however, proxies may also be solicited personally by regular employees of the Company and the Company may use the services of an outside proxy solicitation agency to solicit proxies. The costs of solicitation will be borne by the Company.

Completion and Return of Proxies

Completed proxies must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., either at its office at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, or by facsimile transmission to 1-866-249-7775, not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Company. **A shareholder desiring to appoint some other person, who need not be a shareholder, to represent him at the Meeting, may do so by inserting such person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the office of the Company's transfer agent indicated on the enclosed envelope no later than 10:00 a.m. (Vancouver time) on June 22, 2016, or no later than 48 hours before the time of any adjourned meeting (excluding Saturdays, Sundays and holidays).**

A shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is

to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A proxy given pursuant to this solicitation may be revoked by an instrument in writing executed by a shareholder or by a shareholder's attorney authorized in writing (or, if the shareholder is a corporation, by a duly authorized officer or attorney) and deposited either at the registered office of the Company (Suite 700 – 1055 West Georgia Street, Vancouver, British Columbia V6E 3P3) at any time up to and including the last business day preceding the day of the Meeting or with the Chairman of the Meeting on the day of the Meeting prior to its commencement or in any other manner permitted by law.

Only registered shareholders have the right to revoke a proxy in this manner. Non-Registered Shareholders (as defined below) who wish to change their vote must arrange for their Intermediary (as defined below) to revoke the proxy on their behalf.

Exercise of Discretion by Proxies

The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of all the resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the accompanying Notice of Meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this management information circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Non-Registered Shareholders

The information set out in this section is important to many shareholders of the Company as a substantial number of shareholders do not hold their Common Shares in their own name.

Only registered shareholders of the Company or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders (“**Non-Registered Shareholders**”) because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. The Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

There are two kinds of Non-Registered Shareholders: (i) those who object to their name being made known to the issuers of securities which they own (called “OBOs” for Objecting Beneficial

Owners); and (ii) those who do not object to their name being made known to the issuers of securities which they own (called “NOBOs” for Non-Objecting Beneficial Owners).

Issuers can request and obtain a list of their NOBOs from Intermediaries via their transfer agents, pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of Reporting Issuers* (“NI 54-101”) and issuers can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Company has decided to take advantage of those provisions of NI 54-101 that allow it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive copies of the Notice of Meeting, this management information circular and a voting instruction form (which includes a place to request copies of the Company’s annual and/or interim financial statements and related management’s discussion and analysis) (collectively, the “**Meeting Materials**”) from the Company’s transfer agent, Computershare Investor Services Inc. The voting instruction form is to be completed and returned to Computershare Investor Services Inc. in the envelope provided or by facsimile transmission at 1-866-249-7775. Computershare Investor Services Inc. will tabulate the results of the voting instruction forms received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by voting instruction forms they receive. Alternatively, NOBOs may vote following the instructions on the voting instruction form, via the internet or by telephone.

With respect to OBOs, in accordance with applicable securities law requirements, the Company will have distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for distribution to such Non-Registered Shareholders. Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless they have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the OBO and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow; or
- (b) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the OBO when submitting the proxy. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and **deposit it with the Company, c/o Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 or by facsimile transmission at 1-866-249-7775.**

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of their Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert the Non-Registered Shareholder or such other person’s name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As of May 5, 2016, 102,799,661 Common Shares were issued and outstanding. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting. The record date for the determination of shareholders entitled to receive notice of, and to vote at, the Meeting has been fixed as May 5, 2016. In accordance with the provisions of the *Canada Business Corporations Act* (the “**CBCA**”), the Company will prepare a list of holders of Common Shares as of such record date. Each holder of Common Shares named in the list will be entitled to vote the shares shown opposite their name on the list at the Meeting. All such holders of record of Common Shares are entitled either to attend and vote thereat in person the Common Shares held by them or, provided a completed and executed proxy shall have been delivered to the Company’s transfer agent within the time specified in the accompanying Notice of Meeting, to attend and vote thereat by proxy the Common Shares held by them.

Employment, Consulting and Management Agreements

President and Chief Executive Officer

The Company’s President and Chief Executive Officer, Andrew Lee Smith, provided management and consulting services to the Company pursuant to a consulting agreement with Iron Mask Explorations Ltd. (the “**Consultant**”) dated July 1, 2014 (the “**2014 Consulting Agreement**”). Pursuant to such agreement, the Company may terminate the 2014 Consulting Agreement, upon written notice at any time and by providing the Consultant with (i) a lump sum payment equal to \$750,000, (ii) payment of all outstanding fees accrued to the date of termination, (iii) reimbursement of any outstanding expenses, and (iv) immediate vesting of all unvested stock options, if any, as of the date of termination (collectively, the “**CEO Termination Payment**”). In the event that the Company enters into a written agreement providing for a “corporate transaction” (as defined in the 2014 Consulting Agreement) or a corporate transaction occurs and, within six months the Consultant terminates the 2014 Consulting Agreement as a result of the occurrence of a triggering event, the Consultant will be entitled to items (i), (ii) and (iii) of the CEO Termination Payment, and will also be entitled to the immediate vesting of all unvested stock options, if any, as of the date of notice of termination is delivered. The 2014 Consulting Agreement expired on December 31, 2015.

The Company and the Consultant entered into a new consulting agreement dated January 1, 2016 (the “**2016 Consulting Agreement**”). Pursuant to the 2016 Consulting Agreement, the Consultant agreed to defer up to 20% of the consulting fees based on the Board’s determination for the need for capital preservation provided that applicable service taxes will not be deferred and any fees deferred will be due and payable upon termination of the agreement. As additional consideration for the Consultant entering into the 2016 Consulting Agreement, the Company agreed to grant the Consultant a bonus payable in Common Shares, subject to regulatory approval and applicable shareholder approval. Such Common Shares are included under “Particulars of Matters to be Acted Upon – Approval of Issuance of Common Shares in lieu of Bonus”. Oversight and Description of Director and Name Executive Officer Compensation

The Compensation Committee recommends to the Board the compensation of the Named Executive Officers and directors of the Company. The Compensation Committee has the responsibility for determining compensation for the directors and senior management to be recommended to the Board for approval. The Compensation Committee reviews compensation paid to directors and executive officers of companies of similar size and stage of development in the mineral exploration/mining industry and determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. Approval of Issuance of Common Shares in lieu of Bonus

As additional consideration for certain officers and consultants entering into an employment or consulting agreement with the Company, the Compensation Committee has recommended and the Board has, on March 23, 2016, approved a one-time payment of a bonus by issuance of Common Shares to certain officers and consultants (the "**Bonus Shares**"). The issuance of Bonus Shares is subject to (1) approval of the TSX Venture Exchange and the Disinterested Shareholders (as defined herein); (2) a vesting schedule under which the Bonus Shares will vest on the later of July 1, 2016 or the date a mining license for the Company's Harvest project is issued; and (3) a voluntary hold period expiring March 1, 2017. The Bonus Shares will also be subject to any applicable hold periods required by the TSX Venture Exchange and other securities regulatory authorities.

The Compensation Committee's review process included discussion and analysis of alternative forms of compensation. The Compensation Committee concluded that a share incentive will conserve cash, incentivize through ownership and engender greater loyalty. The Board believes the issuance of the Bonus Shares enables the Company to better align the interests of the Company's management with those of the Company's shareholders, reduces the cash compensation the Company would otherwise have to pay, and that the equity dilution to shareholders is outweighed by the benefits to the Company which will be received from rewarding and incentivizing the continued efforts of these officers.

As a result, it is proposed that an aggregate of 2,750,000 Bonus Shares be issued at a price of \$0.10 per share to the following persons in the following amounts:

Name of Recipients	Number of Bonus Shares Allocated
Iron Mask Explorations Limited ⁽¹⁾	1,000,000
Peter Granata Chief Financial Officer	500,000
Jeffrey Heidema Vice President Exploration	500,000
Aspen Consulting Inc. ⁽²⁾	500,000
Lingling Yang Corporate Communications	250,000

Notes

(1) A company controlled by Andrew Lee Smith, President, CEO and a director of the Company.

(2) A company controlled by Sherry Siu, Corporate Secretary of the Company.

To be effective, the Bonus Share Resolution must be approved by not less than a majority of the votes cast by the Disinterested Shareholders present in person or represented by proxy at the Meeting.

"**Disinterested Shareholders**" are the shareholders of the Company other than the recipients

of Bonus Shares and their associates. As such, the votes attaching to an aggregate of approximately 1,381,326 Common Shares, which are beneficially owned or over which control or direction is exercised by the recipients of Bonus Shares and their respective associates, representing approximately 1.3% of the Company's issued Common Shares entitled to vote at the Meeting, will be withheld from voting on the Bonus Share Resolution.

At the Meeting, Disinterested Shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution, in the form set out below (the "**Bonus Share Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting, approving of the issuance of the Bonus Shares.

The Board has unanimously approved the issuance of the Bonus Shares and recommends that the Company's shareholders vote FOR the adoption of the Bonus Share Resolution. **Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Bonus Share Resolution.**

The text of the Bonus Share Resolution to be submitted to Disinterested Shareholders at the Meeting is set forth below:

"BE IT RESOLVED THAT (as an ordinary resolution and excluding the votes of interested parties and their associates):

1. the allotment and issuance of up to 2,750,000 common shares by the Company to be granted as a bonus to certain officers of the Company (or to their services companies), is hereby approved; and
2. any director or officer of the Company is hereby authorized for and on behalf of the Company to execute and deliver all documents and instruments and to take such other actions as such director or officer may determine to be necessary or desirable to implement these resolutions and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions."

EAST AFRICA METALS INC. AUDIT COMMITTEE CHARTER

The Board of Directors (the “**Board**”) of East Africa Metals Inc., a Canadian federal corporation (the “**Company**”), approves and adopts the following Audit Committee Charter to specify the composition, roles and responsibilities of the Audit Committee (the “**Committee**”).

Purpose

The purpose of the Committee is to assist the Board in fulfilling its responsibility for the oversight of the financial reporting process. The purpose of this Charter is to ensure that the Company maintains a strong, effective and independent audit committee, to enhance the quality of financial disclosure made by the Company and to foster increased investor confidence in both the Company and Canada’s capital markets. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Company’s Management to ensure that the independent auditors serve the interests of shareholders rather than the interests of Management of the Company. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will review financial reports or other financial information provided by the Company to regulatory authorities and shareholders and review the integrity, adequacy and timeliness of the financial reporting and disclosure practices of the Company. The Committee will monitor the independence and performance of the Company’s independent auditors.

Composition and Procedures of the Audit Committee

The Committee shall consist of at least three (3) directors. Members of the Committee shall be appointed by the Board and may be removed by the Board in its discretion. While the Board may recommend a Chairman for the Committee, the Committee shall have the discretion to appoint the Chairman from amongst its members. The Committee shall establish procedures for quorum, notice and timing of meetings subject to the proviso that a quorum shall be no less than two (2) Committee members. Meetings shall be held no less regularly than once per quarter to review the audited financial statements and interim financial statements of the Company. At least one (1) member of the Committee shall be independent and the Board and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members’ independent judgment. At least (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Company. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements.
